Jurmala City – Cinevilla – Chocolate Museum – Fisherman Village

Total duration of the excursion: 8 hours (including lunch, coffee, WC stops).

With miles of sandy beaches, swaying pine trees and deliciously fresh air, eclectic architecture and plenty of fun, Jurmala is a resort like no other. Jurmala's reputation as a SPA destination began in the late 18th and early 19th centuries. Intact and specially protected nature, clean sea and pine wood air. Unique architectural blend with everything from ornate timber cottages to giant Soviet concrete sanatoria, plus a few contemporary masterpieces.

Cinevilla is a major tourist attraction, and is the only such large-scale open-air cinema exhibition in the Baltic States. A visit to Cinevilla is like traveling in a time machine – you will see what Riga looked like about a hundred years ago.

Chocolate Museum is the largest chocolate museum in the Baltic region. “Laima” chocolate can be enjoyed with all the senses - it can be seen, tasted, heard and felt... How? You can find out by visiting the museum.

Fisherman Village Ragaciems - is a very interesting landmark to the history of fishing in the region. The area had docks and areas where fishermen-built huts to store their nets and other inventory.
