### **Jurmala City Tour – Kemeris National Park & Bog– Fisherman Village**

**Total duration of the excursion: 6 hours** (including coffee, WC stops).

With miles of sandy beaches, swaying pine trees and deliciously fresh air, eclectic architecture and plenty of fun, Jurmala is a resort like no other. Jurmala's reputation as a SPA destination began in the late 18th and early 19th centuries. Intact and specially protected nature, clean sea and pine wood air. Unique architectural blend with everything from ornate timber cottages to giant Soviet concrete sanatoria, plus a few contemporary masterpieces. A visit to recreational park with a panoramic view tower. Discover Jurmala's fishing heritage at the Open-Air Museum and take a stroll through a unique ecosystem of pines at dunes at the nearby Ragakapa Nature Park.

Kemeris. The Great Kemeris Bog Boardwalk is a popular tourist destination. The boardwalk takes visitors to the world of moss, small pine trees, deep pools, tiny dark lakes, and the smell of wild rosemary.

Fisherman Village Ragaciems - is a very interesting landmark to the history of fishing in the region. The area had docks and areas where fishermen-built huts to store their nets and other inventory.
